PRELIMINARY AMENDMENT

Tuchnology Center 2000

Commissioner for Patents Washington, D.C. 20231

Dear Sir:

Please enter the following preliminary amendment in the above-captioned case.

Please amend the case as listed below.

IN THE SPECIFICATION:

Please replace the paragraph beginning at page 3, line 5 in the "Description of the Related Art" section with the following paragraph:

The method disclosed in Kodosky et al allows a user to construct a diagram using a block diagram editor. The block diagram may include a plurality of interconnected icons such that the diagram created graphically displays a procedure or method for accomplishing a certain result, such as manipulating one or more input variables and/or producing one or more output variables. In response to the user constructing a diagram or graphical program using the block diagram editor, data structures may be automatically constructed which
